## Elks Defeat Nanton As Ball Season Begins

The debut of the Vulcan Elks into the Foothills Baseball League here on Wednesday, May 16, was a success, with the club winning 7-4 in eight innings over Nanton. The only disappointment was the size of the crowd which was small, not an encouraging sign to the management.

A newcomer to the lineup and getting his first taste of senior ball, Dave Collier was put in as starting pitcher for Elks for part of the first two innings. He struck out one batter, gave up four runs on four hits, walked four men and a batter was hit by a pitched ball.

Nanton pitcher Doyle got rougher treatment from Vulcan batters who pounded him for five runs in the first inning. Playing coach Dusty Rhodes replaced Collier in the second and held Nanton scoreless for the balance of the game striking out 16 men with only one safe hit registered against him.

The game was called in the eighth inning because of darkness.

Veteran Mel Jordan of the Elks was top man at the plate for his team with two singles in three trips.

Other than the scoring outburst early in the game play was close with neither team crossing the plate for runs during the last six innings.

Elks have a good field, sufficient accommodation for cars and bleacher fans, enthusiastic if not professional players, and they have willing sponsors. They are now looking for interested fans.

Next home game is this Sunday afternoon at 2:00 o'clock when High River will be on hand for a single game. Season tickets are on hand and schedules are being given out.

Nanton: Young, Burnett, Rhysan, L. Lind, Smith, Edey, McLean, Lobbin, Stapley, J. Lind, T. Doyle, Manager, J. Scott.

Vulcan: J. Ruark, Burley, Jordan, Gatenby, Redlick, Erickson, Phillips, Houlton, Parker, Deal, Collier, Rhodes.

## PORTRAY BOUNTIFUL PROVINCIAL BEAUTY

Alberta's official tartan is expected to go on sale this summer in provincial tourist information offices.

Provincial Secretary A. R. Patrick said the tartan will be made into a variety of items such as ties, hat bands and possibly vests.

The tartan, approved by the legislature last year, has a background of green (representing the forests) with gold (for fields

of grain and sunshine), pink flecks (wild rose, the provincial flower) and touches of blue (skies and lakes) and black (coal and oil).

The work of Mrs. Alison Lamb and Mrs. Ellen Nielsen of Edmonton, the distinctive weave now is being run off looms at the Edmonton Rehabilitation Centre and may be loomed soon at the Red Deer provincial training institution.

The tartan is expected to raise money for the centre in addition to proving work for handicapped persons.

## Three Candidates In McGregor Race Meet Queen Contest

The three girls shown above have been named as candidates in the annual Lake McGregor Race Meet Queen Contest, representing the Milo, Lomond and Travers districts. Each is sponsored by a different organization, which benefits by one-half of the proceeds of the tickets sold on behalf of its candidate.

Sponsored by the Milo-Queens-town Lions Club is Susan Gail Hermann, 18-year-old daughter of Mr. and Mrs. Everett Hermann of the Milo district. Active in sports and fond of riding, Susan owns her own horse. She teaches Sunday School and is a Grade 12 student at the Milo high school. Following graduation, she hopes to realize her ambition to become an air stewardess.

Leona Booth, now in her second year of teaching at the Lomond school, is sponsored by the Lomond 4-H Club. Nineteen years old, she is the daughter of Mr. and Mrs. F. L. Booth of the Reid Hill district and attended the University of Alberta at Calgary. Her favorite sports are basketball, curling and bowling and she is also fond of horseback riding.

Representing the Travers community, Rita Watson, 16, is sponsored by the Happy Hours Women's Institute of Travers. She is the eldest daughter of Mr. and Mrs. W. A. Watson and grand-daughter of Travers district pioneers the late J. W. Murphy and Mrs. Murphy. At present, Rita is taking Grade 11 at Providence High, Midnapore and has been active for several years in Women's Institute Girls Club work. She won the District 4 public speaking trophy the five years she entered and the Provincial Intermediate Trophy at Olds in 1959. Interested in many sports, her favorites are horseback riding and playing softball.

## 12 Hours Instruction

## First Aid Class Starts June 4

A special course in Senior First Aid as prepared by St. John Ambulance will be conducted in the Vulcan Civil Defence headquarters building (Carson Block) starting on Monday, June 4. Twelve hours instruction will be given by J. Lundy Findlay in four classes, the dates being June 4, 7, 11 and 14.

No applicants will be accepted for this course after the first night. Enrollments to date include several registered nurses, Calgary Power crew and ambulance drivers. Other enrollments, as far as facilities will permit, will be accepted by Mr. Findlay up until June 4.

The St. John Ambulance enrollment fee of \$5.00 for the course includes text book and bandages and no charge is made for instruction or hall accommodation. No further classes in First Aid are contemplated before late fall.

## George Richardson New President Of Lions Club

George Richardson has been elected president of the Vulcan Lions Club, succeeding Bert Ohler. First vice-president is Evan Munro and second vice-president is Ron Buehler.

Other officers elected were: secretary, Howie Klippert; treasurer, Les O'Brien; tall-twister, Norman Soder; Lion-tamer, Clarence Roth. Two-year directors are Skeez Christensen and Evan Williams and one-year directors are Ben Dann and John Wolfe.

## Ted Schlaht Back From Germany

Most visitors to the Advocate are local folk or those within 30 or 40 miles so it was quite exceptional last week to have a caller in whose Advocate address was Germany.

Ted Schlaht, who has served a four-year hitch with the RCAF overseas, was in town with his wife and father, on leave prior to a new posting to the Cold Lake base. Ted was brought up in the Lomond district and his parents still farm there.

Earlier in his Air Force career as a rigger, Ted was stationed for three years at Cold Lake so this is a welcome return posting. He described his overseas jaunt as the enjoyable experience but he is glad to be back in this province. Some personnel find Cold Lake, with its comparative isolation, "somewhat bushed," but to Ted this is just good rural living similar to his earlier pattern of life.

Costs of operating the post office in Canada in the year ending March 31, 1962, totalled \$189 million.

## Estimated Expenditures \$163,326

## Town of Vulcan 60 Mill Rate Unchanged

Vulcan town council set the tax rate for 1962 at 60 mills—the same as last year—at the regular council meeting this month. The school rate was set at 30.5 mills, the municipal rate at 25.5 mills and the hospital rate at 4 mills.

Total expenditures during the year are estimated to be \$163,326. Main items of expenditure are estimated as follows:

General government \$9,456; Fire, police and lighting \$16,900; public works \$12,000; Sanitation and waste removal \$6,000; Education \$54,566; Recreation and community services \$5,600; Debt charges \$9,550; Utilities \$7,000; Water and sewer (general capital and loan fund) \$30,000; Hospital and Health Unit \$6,864; Miscellaneous (Civil Defence, tax discounts, etc.) \$4,500.

Revenue during the year to balance the expenditures is estimated as follows: Licences and permits \$1,200; rents, concessions and franchises \$1,000; Fines \$2,500; Interest and tax penalties \$2,400; Service charges \$8,500; Recreation and community services \$1,000; Contributions, grants and subsidies \$17,980; Revenue from current taxes \$127,386.

## Auxiliary Will Aid Polio Fund

The regular meeting of the Ladies Auxiliary to the Canadian Legion was held Wednesday, May 16, with a fair attendance of members, Mrs. D. Woodman, the president presided and was assisted by acting secretary, Mrs. H. Matlock, in the absence of Mrs. Standing, who is ill.

Routine business matters were dealt with and the matter of the Polio Drive was discussed. It was decided that proceeds from the next Bingo game, scheduled for June 8, will be donated to the Canadian Legion Polio fund. The patronage of the public would be greatly appreciated at this game for the worthy cause.

Business pertaining to the Auxiliary scholarships will be finalized before the next meeting.

At the conclusion of the business session lunch was served by a committee.

## Golfers Again Plan One-day Expedition

Three items are getting attention at the golf course these days, in addition to actual pursuit of the game.

On the entertainment side, and this is for men only, Howie Klippert of entertainment committee announces all candidates for the second annual one-day golfing expedition should start negotiating a Sunday pass right now for either June 4 or the 11th. The trip is planned for Waterton this year and Glen Gorbous is the contact for reservations.

Business-wise, the remaining golf club debentures of the 500 originals issued for the building of the building of the club, about 25, are still available to anyone wishing to participate. A drive is being conducted to complete sale of the issue.

An announcement is pending this week regarding the current watering project which could involve a fair sum of money. In this connection the men are on a money-raising campaign and have a raffle going on a complete golf set valued at \$350.

## Gets Swimming Award of Merit

Another Vulcan teen-ager who has made good use of the Lions swimming pool in past years is 17-year-old Carson Horne, son of Mrs. Lorene Horne.

He was mentioned some weeks ago as having taken swim tests at Calgary. At that time he spent a week at the YMCA and received his Award of Merit card and crest. Previously he had completed pre-requisite medal tests, having his Bronze Medallion and the 2nd Bar to the Medallion.

His youth is the only holdback in his taking the Instructors Course. Applicants must be 19 or over.

His swimming will be done in Calgary this summer, where he will be employed during those months.

DR. BERNARD TONKEN

DR. EVERITT HILL

## Vulcan Veterinary Practice Sold

Veterinarian at Vulcan for the past seven years and owner of the Vulcan Animal Clinic, Dr. Bernard W. Tonken leaves the end of this month to open a new practice as a consulting veterinarian at Calgary, with offices at the Calgary Stockyards. His practice here has been sold, effective June 1, to Dr. Everitt Hill, a graduate of Washington State College, who has practised at Acme for the past year.

As the only veterinarian in the County, Dr. Tonken has built up a large practice in this area. He and Mrs. Tonken have made many friends during their residence in Vulcan and have taken part in many community activities.

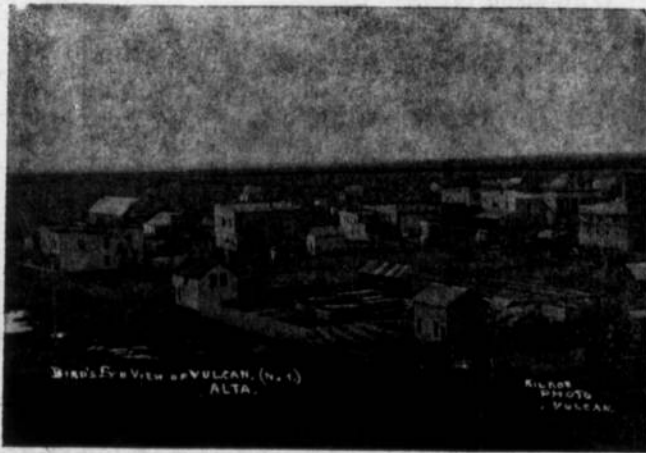

Dr. Hill, with his wife and two small children, will move into the Tonken residence.

## PFRA Purchase Carmangay Bulls

A news release from the federal minister of agriculture through Lawrence E. Kindt, M.P., gives the information that the PFRA are purchasing bulls from Ivan Ohler of Carmangay to the value of \$10,230.

These bulls will be used for PFRA Community Pasture breeding services and are to be delivered to the Bitter Lake Bull Station at Maple Creek, Sask.

Canada has 27 rivers of more than 500 miles in length.

1913 VIEW OF VULCAN—This composite "bird's eye view" of the Town of Vulcan as it was in 1913 is from photographs lent to the Advocate by Cliff Andrews. The pictures were taken from one of the elevators. In the left foreground is the Vulcan Co-op lumber yard (now Revelstoke). The large livery barn at the other

corner of that block (right centre) was operated by Bob Dodds and burned down during the last war when it was being operated by Ham Johnston as a bowling alley and restaurant. In the centre of the picture, the hotel is recognizable and across from it is Reeves Store on the corner now occupied by Mitchell's Pharmacy.

## Jenkins Store To Close

Announcement has been made by Jenkins Groceries Ltd. that their Vulcan store will close by the end

of this month.

One reason advanced for closing of the Vulcan operation is that the premises occupied by the store are too small for the requirements of a modern food market and the company's lease expires at the end of this month.

A new Liberal government team will introduce a countrywide contributory portable pension program so that basic benefits of \$75 a month will be available and for couples could go to \$295. Those wishing to change jobs could transfer pension benefits to new jobs and those of 38 to 40 who have trouble finding jobs because companies don't think they fit into company pension schemes, would not need to worry. Jimmie Teasdale of Red Deer was a visitor at th home of his parents, Mr. and Mrs. Dick Teas-

dale and family last weekend.

Donnie Benson of Calgary was a weekend visitor at the home of his parents, Mr. and Mrs. Leonard Benson and family. He was accompanied by several friends from Calgary.

Mrs. Helen Pearson spent several days in Lethbridge last week with her mother, Mrs. Hazel Brotherwood who has purchased a home there.

Mr. and Mrs. Hirst Goldthorpe were visitors in Lethbridge on Thursday of last week.

Mr. and Mrs. Ed Rainey were visitors in Vulcan on Monday of this week.

Mr. and Mrs. Earl Helland were hosts on their farm to 17 Lutheran Confirmants and three visitors Friday, May 18. A ball game was enjoyed first, followed by a short devotional program in the yard.

"Beautiful Saviour" and "Count Your Blessings," were sung with the reading of Psalm 103. On behalf of those present Larry Helland presented Pastor Granberg with a going away gift. Hot cakes flipped and flapped by the hosts as hungry appetites sang "Be Present At Our Table Lord" and filled their vacuums to capacity, with strawberry short cake as the final measure.

### CAMPING TRIP

"A" Troop of the Lomond Boy Scouts along with Scouter Jim Foreman held a practice Camporee last weekend.

They left Saturday afternoon, camped about six miles east of Lomond and returned home on Monday afternoon. Quite a few parents were out to visit the camp on Sunday, some being there for

the campfire in the evening, when each patrol put on a skit and some sampled the boys cooking at supper time (which was very good).

In spite of the heavy rain the boys really enjoyed their weekend. Assisting Scouter Foreman were Pete Stokes and Russel Honess.

### Bethany Lutheran Church Women

The May meeting was held at the home of Mrs. Kjeld Pederson with 16 members answering the roll call with a donation towards some linen for the church.

Pastor Granberg led the devotional with the study of lesson from the Bible being "John x1" entitled "Christ is our light, when days are dark."

The correspondence was read and discussed. Some of the ladies are hoping to attend the first triennial convention of the newly organized Lutheran Church District to be held at Camrose in early June. One member reported that a large set of glass ware had been bought and added to the collection of dishes for the church kitchen.

Mrs. Phyllis Huff who was the delegate from the Lomond LCW gave an interesting report from the conference at Medicine Hat. Other members who attended were Mrs. Margart Ost, Jr., Mrs. Isabelle Volesky, Mrs. Ida Granberg and Pastor Granberg.

The meeting was adjourned with the singing of the hymn "In the Cross" followed by "The Lord's Prayer," in unison. A very lovely lunch was then served by the hostess and her assistants.

The next meeting will be held at the home of Mrs. Helen West.

### FIRE

The local Fire Department was called out Friday afternoon about 3:15 p.m. and quickly put out a fire in an old shed in the residential district.

The blaze was presumed to have been started by children who had gotten hold of some matches. This could have been a very bad fire had it not been caught right at the start, as there are many houses in that block.

According to the fire chief there are quite a few of these buildings right in the village left unlocked and full of junk and garbage where fires can easily start and he certainly stresses the fact that adults are much more to blame if such fires start than the children, because they should have the buildings cleaned out and locked.

### CHAMPION

Mr. and Mrs. Oscar Castator and Russel Castator of Red Deer were weekend visitors in town and district.

Recent visitors at the home of Mr. and Mrs. W. Mullinger were their son and daughter-in-law and family.

Mr. and Mrs. Joe Koenig have had their son Frank and his family of Edmonton visiting for the past week.

Mrs. Pete Olson and family of Warner spent the past week at the home of Mrs. Olson's parents, Mr. and Mrs. A. Kurtz. Pete came Sunday to take his family home.

Lou Anne Clifford entertained a few of her little friends on Saturday of last week, the occasion being her seventh birthday anniversary.

Mr. and Mrs. G. Petronich opened the booth at the park over the holiday weekend.

Mr. and Mrs. S. Pasoli were Lethbridge visitors on Friday, Margaret Englehart returned home with them to spend the weekend.

The Champion Senior ball team defeated Lomond 6-5 on Wednesday evening in the first game of the season.

Moisture received last week was very welcome, although it was very scattered, with some districts reporting an inch and others not so much, it all helped brighten things.

Mr. and Mrs. Roger Jensen (nee Leora Maxwell) are being congratulated on the birth of a 6 lb. 3 oz. baby girl, May 5. Name, Nancy Louise.

D. D. McQueen,  
Secretary-Treasurer,  
County of Vulcan No. 2

Bill Reeser's responsible position with Calgary Power is as a crew foreman of Farm Electric Services Ltd. After hours he is active as a director of the Calgary Power Employees Association, and as a member of the Red Deer Elks Club. In the summer months, Bill is an enthusiastic camper — as are his wife Olga and their three children.

## Bill bakes a cake...

... the kind of cake that takes first prize at the country fair cooking contest! True, Bill Reeser would be the first to admit that he's far more at ease with transformers, insulators, winch-truck mechanisms and linesman's tools, than he is with the intricate art of mixing cake ingredients. But, as a Farm Electric Services crew foreman, he makes an important contribution. Bill is responsible for supervising the building of miles of farm power lines — the kind of installations that now make it possible to bake with controlled, electrical heat in so many Alberta farm kitchens. You've probably seen construction crews working in your neighbourhood, helping to bring you the benefits of electrical living. They are members of a team of people who take time to be friendly.

**FALLOUT RADIATION:**— The radiation emitted by fallout particles. Each particle of fallout gives off radiation as though it were a miniature X-ray machine. This radiation consists chiefly of beta rays (dangerous only if fallout particles touch the skin or are swallowed or inhaled) and gamma rays. Gamma rays, like X-rays, are very penetrating, and create the need for protective shields (fallout shelters).

### Spring Wedding At Beiseker

St. Mary's Church, Beiseker, was the scene of a very pretty wedding on, April 7, when vows were exchanged according to the Catholic Ukrainian rites, between Carolyn Hlen Grieve, daughter of Mr. and Mrs. Andrew R. Grieve of Norrie, Quebec and Robert Morris Kuziw, only son of Mr. and Mrs. Morris Kuziw of Beiseker. Rev. Father Stevenki of Drumheller officiated assisted by Rev. Father Saratoga. Rev. T. Marien of Vulcan also attended.

The Holy Mass which followed was celebrated by the Very Rev. Dean Tennant, with St. Mary's Men's Choir attending. Mrs. Allan Berreth was the soloist rendering two hymns "On This Day O' Beautiful Mother", and "Ave Maria", most beautifully, during signing of the register.

The charming bride was given in marriage by her father and

looked radiant in a floor length white satin gown ending in a slight train. The close fitting bodice, featuring a wide yoke of chantilly lace and long lily point sleeves, unpressed pleats gave lovely fullness to the skirt. Her embroidered chapel veil was fastened to a coronet of pearls and she carried a bouquet of yellow roses. Her attendants were Mrs. Theresa Versluys of Calgary and Miss Jean Griffith of Edmonton, both dressed in identical gowns of pale mauve brocaded satin, fashioned in full skirts with unpressed pleats, close fitting bodice with accessories in purple, and carrying nosegays of carnations. The charming little flower girl was Shannon Trach, dressed in yellow organza and carrying a basket of roses.

The groom was attended by Doug Smith of Champion and Dale Versluys of Calgary. The ushers were Peter Trach of Beiseker, and Stan Fath of Champion.

The wedding dinner was served at 1:00 p.m. for about 112 guests in the Dining Room of the Beiseker Memorial Hall. The bride's table was centered with a lovely three-tiered wedding cake, flanked by silver candelabra and spring flowers. The toast to the bride was proposed by the MC, Clay Snow of Vulcan, and ably responded to by the groom. Mrs. Allan Berreth delighted the gathering with two lovely selections accompanied by Mrs. Roy Berreth. Other toasts were given to the bride's mother, Mrs. Grieve and the groom's mother, Mrs. Kuziw, to the bridesmaids and the flower girl, replied to by Mr. Grieve and Mr. Kuziw. Another speaker was the Very Rev. Dean Tennant.

An open reception in honor of the bride and groom was held in the Memorial Hall from 5:00 to 9:00 p.m., when a most delicious buffet supper was served to about 350 guests. Many beautiful gifts were received by the young couple. For going away the bride chose a lovely suit in beige color, with brown accessories.

Out of town guests at the Grieve-Kuziw nuptials were, Mr. and Mrs. A. R. Grieve, Norrie, Quebec, Mrs. Ada McKnight, Mrs. Bessie Wilson both of Winnipeg, Mrs. Geo. Webb, Toronto, Miss Jean Griffith, Miss Diane North, Mr. and Mrs. Dave Bazian, Mr. and Mrs. D. Dragest, Dan Caldwell all of Edmonton. Mr. and Mrs. Wayne Davey, Miss Beverly Decker, Mr. and Mrs. G. Groves, Mrs. May Chamberlain, Mr. and Mrs. Gordon Petronack, Mr. and Mrs. Art Ulrich, Stanley Howe, Mr. and Mrs. George Smith, Pat and Roger Smith, Mrs. Decker, Mr. and Mrs. Gordon Davey, Mr. and Mrs. Bill Wolfe, all of Champion. Mr. and Mrs. Robert Chartier of Picture Butte, Mr. and Mrs. Dave Irwin of Brant. Mr. and Mrs. Pete Touchette and Marcel Touchette of Wainwright. Mr. and Mrs. Russell Bazain, Bill Bazain of Heinsburg, Sylvia Dirickson, Dave Collier and Georgina Robinson of Vulcan. Alvin Stevens of Mossleigh. Gail Hupphauser, Blackfalds, Mr. and Mrs. Ivan Olsen of Calgary, Mr. and Mrs. Steve Trach of Dewberry, Alta., Mr. and Mrs. Otto Hoff of Carbon, Mr. and Mrs. G. G. Berreth of Bircham and many others.

## Ghost town or just asleep?

On the surface, a ghost town and a sleeping community look much alike. But there's a tremendous difference beneath the surface... a paused but healthy economy... a population asleep but ready for the next day.

Another invisible factor, just below the surface, is insurance. Insurance in its many forms protects the community when it is awake or asleep — against the risk of loss from fire, accident, theft, liability, storm and the multitude of other hazards we all face from day to day.

Without the protection which insurance provides, most thriving Canadian municipalities might well be ghost towns. Without that protection — which comes only when the catastrophic losses of the few can be spread among the many — most of the enterprises which make our Canadian centres prosperous today could not have been undertaken. The tremendous individual risks of sudden disaster would have made such enterprises too one-sided a gamble with fate.

## YOU HAVE A HAND IN THINGS CANADIAN

when you own Life Insurance

Surprising? Yes—but true. Like most people, you have probably thought of your life insurance as protection for your family—as a good way to save money regularly—as a valuable collateral if you need a loan for an emergency.

Actually, your life insurance dollars are more than an investment in your personal security and your family's. These dollars are also an investment in Canada. They stimulate growth and progress and help make this country a better place in which to live and work.

At this moment, 9 BILLION DOLLARS of life insurance savings are invested THE LIFE INSURANCE COMPANIES IN CANADA

In important Canadian enterprises—through the purchase of bonds and stocks and through mortgages.

These hard-working dollars are helping to finance great projects all over this country such as pipelines, shopping centres, bridges and highways, homes, apartment and office buildings, schools, factories, industrial plants and power developments. These investments create employment opportunities, too. The income from these investments benefits you directly by reducing the cost of life insurance to you and the 9 million other Canadian policyowners.
